Orchard Community Energy Limited

Management Committee Report

Year ended 31 March 2020

The officers present their report and the consolidated financial statements of the society for the year ended 31 March 2020.

Principal activities

The principal activity of the society during the year was to deliver community owned renewable energy. The society's principal activities are; - to enable meaningful cuts in carbon emissions, and reduce dependence on unsustainable sources of energy.

- to fund and implement renewable energy and energy efficient measures, in collaboration with people, communities and businesses.

- to work co-operatively with people and communities to make carbon reduction technologies available to all regardless of financial resources, and support mutual action to respond to the challenges of climate change.

Officers

The officers who served the society during the year were as follows:

F Mahon
J Salmon
P Shepherd MBE
I Smith
J Hill (appointed 28 November 2019)
P Gladdish (resigned 4 March 2020)
T Valentine (resigned 19 September 2019)

Management committee's responsibilities statement

The management committee is responsible for preparing the management committee report and the financial statements in accordance with applicable law and regulations.

Co-operative and Community Benefit Society legislation requires the management committee to prepare financial statements for each financial year. Under that law the management committee has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under Co-operative and Community Benefit Society legislation the officers must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the society and the profit or loss of the society for that period.

In preparing these financial statements, the management committee are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the society will continue in business.

The management committee is responsible for keeping adequate accounting records that are sufficient to show and explain the society's transactions and disclose with reasonable accuracy at any time the financial position of the society and enable them to ensure that the financial statements comply with the Co-operative and Community Benefit Societies Act 2014. They are also responsible for safeguarding the assets of the society and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Orchard Community Energy Limited

Management Committee Report *(continued)*

Year ended 31 March 2020

Auditor

Each of the persons who is an officer at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the society's auditor is unaware; and
- they have taken all steps that they ought to have taken as an officer to make themselves aware of any relevant audit information and to establish that the society's auditor is aware of that information.

The auditor is re-appointed in accordance with section 93 of the Co-operative and Community Benefit Societies Act 2014.

This report was approved by the management committee on 4 September 2020 and signed on behalf of the board by:

Orchard Community Energy Limited

Independent Auditor's Report to Orchard Community Energy Limited

Year ended 31 March 2020

Opinion

We have audited the consolidated financial statements of Orchard Community Energy Limited (the 'society') for the year ended 31 March 2020 which comprise the statement of income and retained earnings, statement of financial position and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the society's affairs as at 31 March 2020 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the respective responsibilities of management committee and auditor section of our report. We are independent of the society in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the management committee's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the management committee has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the society's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Orchard Community Energy Limited

Independent Auditor's Report to Orchard Community Energy Limited *(continued)*

Year ended 31 March 2020

Other information

The other information comprises the information included in the annual report, other than the consolidated financial statements and our auditor's report thereon. The management committee is responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the society and its environment obtained in the course of the audit, we have not identified material misstatements in the management committee report.

We have nothing to report in respect of the following matters in relation to which the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- the society has not kept proper books of account or has not maintained a satisfactory system of control over its transactions; or
- the financial statements are not in agreement with the society's books of account; or
- we fail to obtain all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

Respective responsibilities of the management committee and independent accountant

As explained more fully in the management committee's responsibilities statement, the management committee is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the management committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management committee is responsible for assessing the society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management committee either intend to liquidate the society or to cease operations, or have no realistic alternative but to do so.

Respective responsibilities of management committee and auditor

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Orchard Community Energy Limited

Independent Auditor's Report to Orchard Community Energy Limited *(continued)*

Year ended 31 March 2020

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management committee.
- Conclude on the appropriateness of the management committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the society, in accordance with section 87 of the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the society those matters we are required to state to it in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the society, for our audit work, for this report, or for the opinions we have formed.

The notes on pages 9 to 13 form part of these financial statements.

Orchard Community Energy Limited

Notes to the Consolidated Financial Statements *(continued)*

Year ended 31 March 2020

1. General information

The society is registered under the Co-operative and Community Benefit Societies Act 2014. The address of the registered office is Vox Studios, Room W106, 1-45 Durham Street, SE11 5JH, London.

2. Statement of compliance

These financial statements have been prepared in compliance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Revenue recognition

Turnover is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of discounts and Value Added Tax.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have transferred to the buyer (usually on despatch of the goods); the amount of revenue can be measured reliably; it is probable that the associated economic benefits will flow to the entity; and the costs incurred or to be incurred in respect of the transactions can be measured reliably.

Amortisation

Amortisation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful life of that asset as follows:

Goodwill on consolidation - over 25 years straight line

If there is an indication that there has been a significant change in amortisation rate, useful life or residual value of an intangible asset, the amortisation is revised prospectively to reflect the new estimates.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in equity, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in equity in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in equity in respect of that asset, the excess shall be recognised in profit or loss.

Orchard Community Energy Limited

Notes to the Consolidated Financial Statements *(continued)*

Year ended 31 March 2020

Investments

Fixed asset investments are initially recorded at cost, and subsequently stated at cost less any accumulated impairment losses.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the society are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the society becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost.

Where investments in non-convertible preference shares and non-puttable ordinary shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in profit or loss. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

	<u>269,725</u>	<u>267,934</u>

Orchard Community Energy Limited

Notes to the Consolidated Financial Statements *(continued)*

Year ended 31 March 2020

10. Creditors: amounts falling due after more than one year

	2020	2019 <i>(restated)</i>
	£	£
Bank loans and overdrafts	3,468,777	3,659,859
Unsecured Solar Bonds	1,627,900	1,674,400
	<u>5,096,677</u>	<u>5,334,259</u>

11. Prior period adjustment

The accounts include a prior year adjustment as a result of £442,344 having being incorrectly included as part of the cost of the solar farm in the subsidiary's accounts for the year ended 31 March 2017. This payment represented an intercompany loan repayment from the subsidiary Orchard Farm Community Solar CIC.

The adjustment has resulted in a write back of depreciation of £30,964 as at 1 April 2018 offset by amortisation of goodwill on consolidation of £30,964. The previously reported consolidated profit and loss reserve is unchanged.

12. Operating leases

The total future minimum lease payments under non-cancellable operating leases are as follows:

	2020	2019 <i>(restated)</i>
	£	£
Not later than 1 year	21,603	21,603
Later than 1 year and not later than 5 years	86,411	86,411
Later than 5 years	361,847	383,450
	<u>469,861</u>	<u>491,464</u>

13. Contingencies

The society has given guarantees in respect of the borrowings from banks and other institutional lenders of its subsidiary, Orchard Farm Community Solar C. I. C.

These guarantees are secured by charges dated 16th June 2016 and 12th September 2017 on the present and future assets of the society.
